

Dansworks Guidance for Attending Group Classes

ABIDING BY THESE GUIDELINES IS ESSENTIAL FOR **PARENTS** AND STUDENTS.

WE NEED TO ENSURE DANSWORKS REMAINS A COVID SAFE ENVIRONMENT.

SOCIAL DISTANCING OUTSIDE THE BUILDING IS VITAL TO DANSWORKS SURVIVAL – THE FUTURE OF DANSWORKS IS IN YOUR HANDS.

Before Attending Classes

- Make sure no one in your household is feeling unwell or has had any contact with anyone unwell. If you have been told to isolate, please attend the classes via live stream.
- Go into your 'Student Info' page > click the edit icon next to each student name > then select the options next to 'Symptom Free & Not asked to isolate' and 'Attending', then click 'Save'. YOU WILL NEED TO UPDATE THESE EVERY SUNDAY AS THEY ARE CLEARED EACH SATURDAY AT MIDNIGHT.
- If you are isolating or are unwell but don't want to miss the class, you need to select 'Remote' next to 'Attending' and you can then access the class via Live stream - before the class we will email you the link to join.

Which Entrance Do I Use?

- Please make a note of which studio your children's class is in. You can find this in your 'Account Details' Page.
- **Studio 1 and 2** - enter via the main door on Alma Street
- **Studio 3 and 4** - use the top emergency exit door on Alma Street
- **Studio ABD** – these classes are taking place at the AB&D Centre, Burnley Road next door to the Post Office. Enter via the main door. Please socially distance whilst waiting for entry.

Waiting for Class to Start

- **DO NOT** arrive early for class – arrive on time and wear a mask. Secondary School age children must also wear a mask.
- Preferably wait in the car until the door is opened and then send your child alone to the door.
- If parking does not allow, or your child is too young to go alone – ONE parent only must walk them to the door whilst socially distancing.
- **DO NOT** group outside the studios, always remain socially distanced. Remember that the future of Dansworks is at stake should you not abide by the rules.
- PARENTS ARE NOT ALLOWED TO ENTER THE BUILDING EXCEPT IN AN EMERGENCY or by prior arrangement.
- If you want to give any information to the teacher, please text 5 minutes before your class starts and the information will be passed on.

Attending Class

- ARRIVE READY!! No moving around the building to change will be allowed – if doing ballet plus other genres, wear your leotard underneath.
- Wear SOCKS!!! Bare feet are no longer allowed.
- ONLY bring dance shoes, water bottle and snack/lunch. SPACE IS VERY LIMITED.
- NO OUTDOOR SHOES WILL BE PERMITTED IN THE STUDIOS. You will be asked to remove shoes BEFORE entering the dance space.
- Hand sanitizer must be used when entering the building. There are stations positioned around the building and in every studio, so students do not need to bring their own.
- Masks can be removed once students are in their Socially Distanced Dance Space.

When Class is Finished

- **DO NOT ARRIVE EARLY OR LATE FOR PICK UP.** The teachers have a limited amount of time to clean the studios ready for the next Bubble Group arriving.
- Preferably wait in the car until the door opens. If this is not possible – PLEASE SOCIALLY DISTANCE OUTSIDE THE BUILDING. Dansworks reputation is in your hands!!
